Good relationships are invaluable, and I feel we have this with TQR!

TQR have provided me with high quality candidates, constant support and communications with total clarity throughout the process

The current account manager I have works really well with me. I get a good supply of candidates and very quick responses to questions and any queries I may have

Great service - friendly staff and always cheerful - nice to work with

Our account manager is fantastic!

The staff are always responsive and easy to communicate with and have made a point of making face to face contact on a number of occasions
